1. Delete User Function :

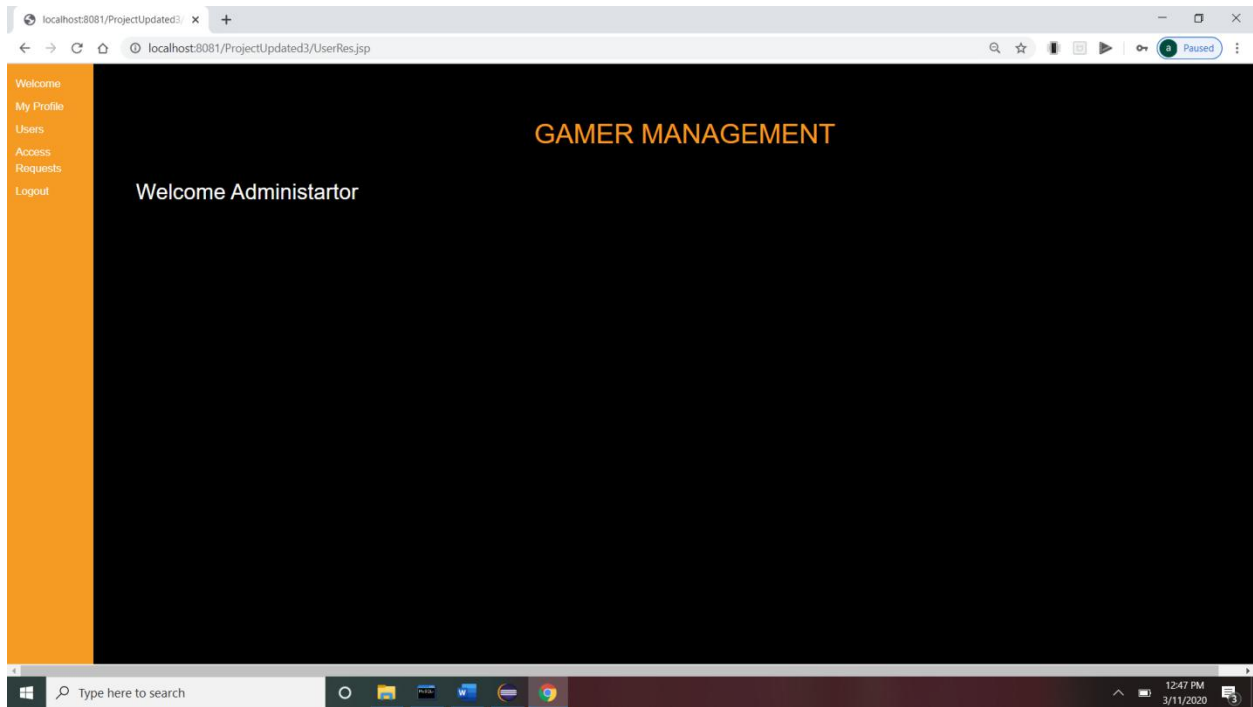

In order to perform a delete function, Admin will login to his account first by filling his credentials and click on **Login** button as we shown in Image – 1.

Image – 1.

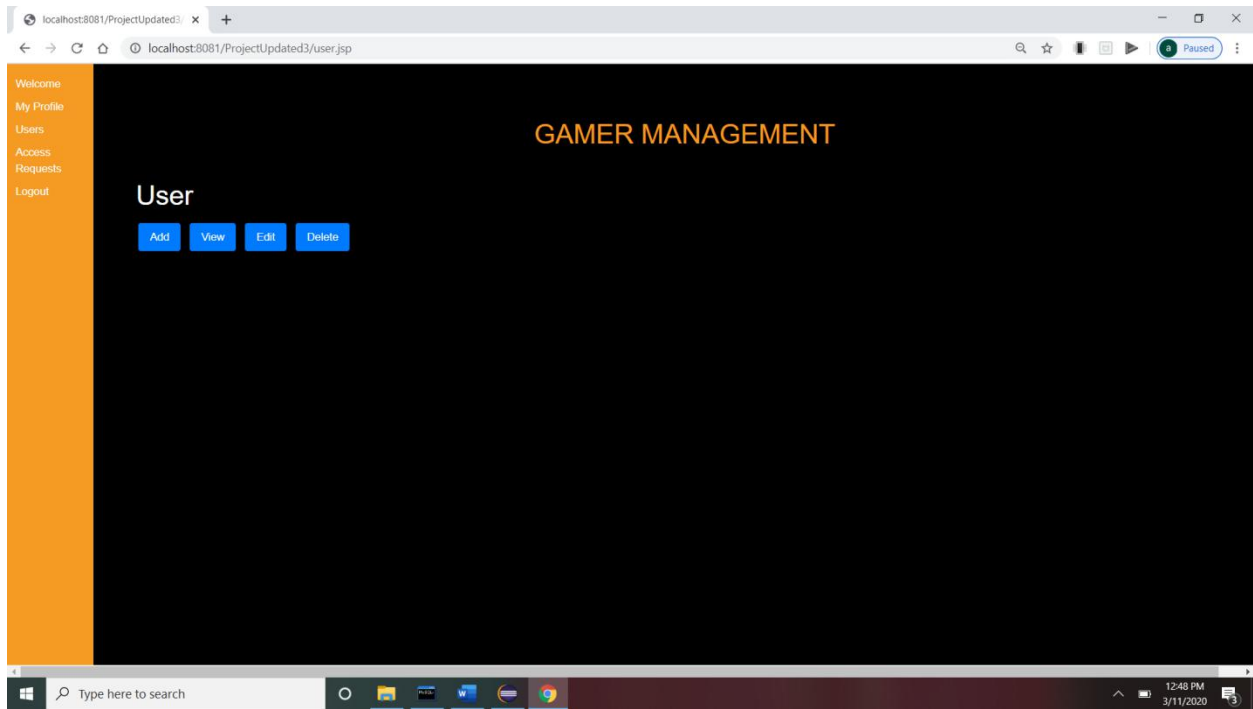

In Image – 2, Admin will see the Welcome page on My Profile tab.

Image - 2.

In Image – 3, Admin will go to **Users** tab and click on **View** button to view the user's id of which he wants to delete.

Image - 3.

CSAT- CSAC

CPL-5559-CSAT-CSAC-0093-V2

In Image – 4, After clicking on View Button, Admin is viewing all the users at a time. Admin can pick any user and click on **Delete** button to delete directly.

Image - 4.

The screenshot displays a web application interface for 'GAMER MANAGEMENT'. The page features a dark blue header with the title in orange. Below the header, there is a search bar with a 'Department' dropdown and a 'Search' button. A table lists four users with their details and 'Edit' and 'Delete' buttons for each row. The sidebar on the left contains navigation links: Welcome, My Profile, Users, Access Requests, and Logout. The browser's address bar shows the URL 'localhost:8081/ProjectUpdated3/view.jsp'.

User id	First Name	Last Name	Access Type	Department	Phone Number	Address	Edit	Delete
8	Sana	Wazid Khan	Regular Access User	Arcade Games	89898989	56 west King Crescent	Edit	Delete
10	Arbaz	Khan	Regular Access(Gamer)	Board Games	4343445556	33 east revenue	Edit	Delete
11	Harry	Martin	Regular Access(Gamer)	Technology	787899090	78 Mapple Street	Edit	Delete
12	Jasmine	Sandies	Regular Access(Gamer)	Card Games	32334344	89 Indiana Crescent	Edit	Delete

CPL-5559-CSAT-CSAC-0093-V2

In Image - 6, After Clicking on Search button, Result will be displayed after sorting the department.

Image - 6.

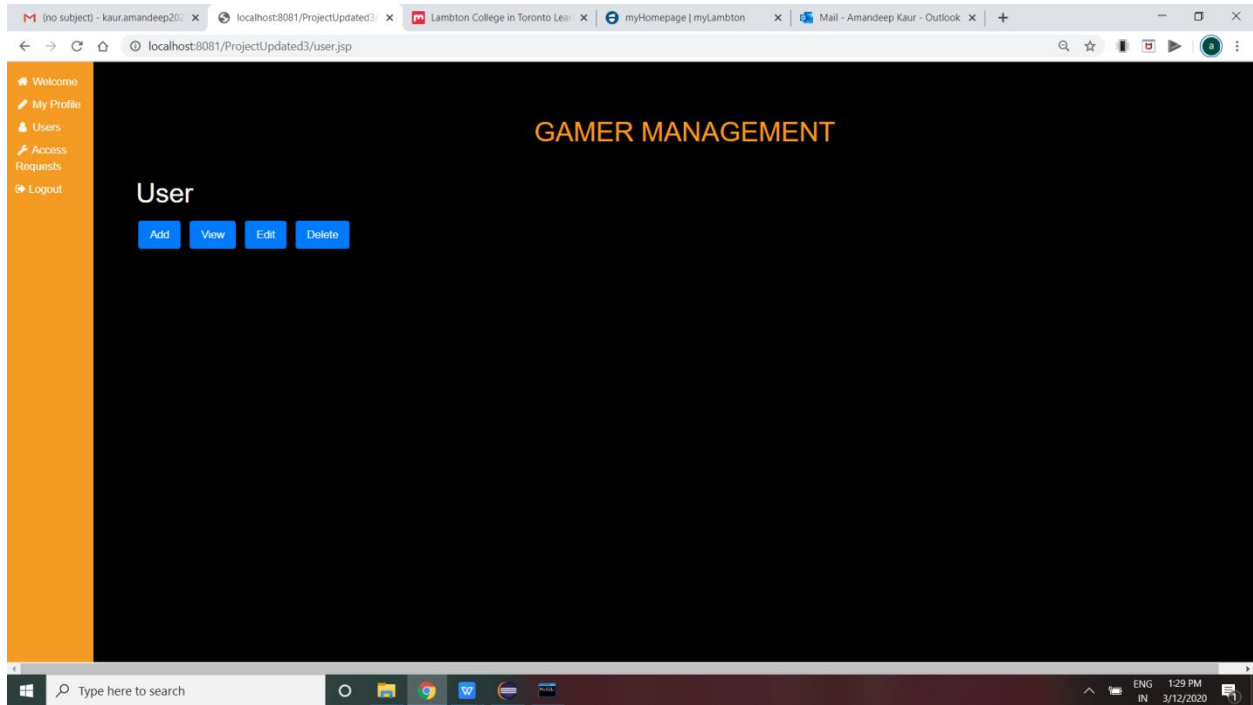

In Image - 7. Assume that Admin selected user named “Harry Martin” whose user id is “11”. Admin will press on Delete button corresponding to that particular user. Result will be seen in next screen. A pop-up message will be displayed to confirm the deletion.

Image – 7.

In Image - 8, After pressing OK on pop-up message, Admin will be navigated to **Users** tab.

Image - 8.

In Image - 9, Admin will click on [View](#) button and check user has been deleted from the database.

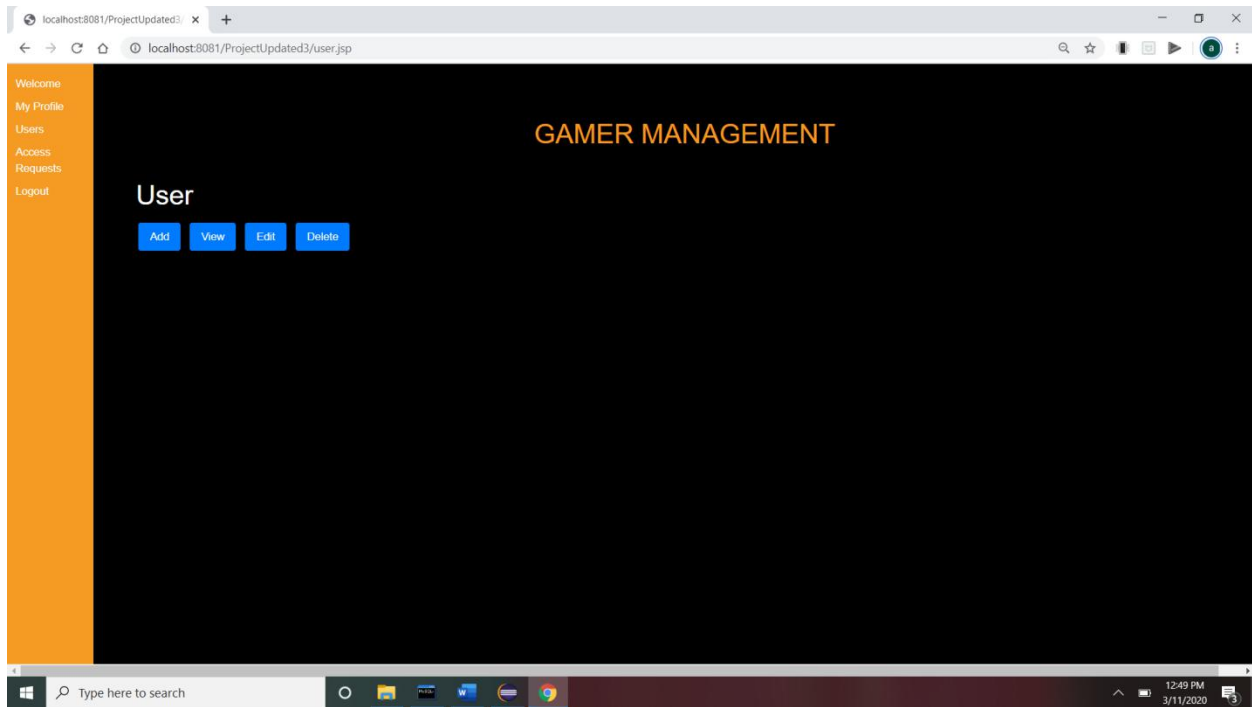

Image - 9.

The screenshot shows a web browser window displaying a web application titled "GAMER MANAGEMENT". The application has a dark blue header and a light blue sidebar with navigation links: Welcome, My Profile, Users, Access Requests, and Logout. The main content area is white and contains a table of users. Above the table, there is a search bar with a "Department" dropdown and a "Search" button. The table has columns for User id, First Name, Last Name, Access Type, Department, Phone Number, Address, Edit, and Delete. There are three rows of data, each with an "Edit" and "Delete" button.

User id	First Name	Last Name	Access Type	Department	Phone Number	Address	Edit	Delete
8	Sana	Wazid Khan	Regular Access User	Arcade Games	89898989	56 west King Crescent	Edit	Delete
10	Arbaz	Khan	Regular Access(Gamer)	Board Games	4343445556	33 east revenue	Edit	Delete
12	Jasmine	Sandies	Regular Access(Gamer)	Card Games	32334344	89 Indiana Crescent	Edit	Delete

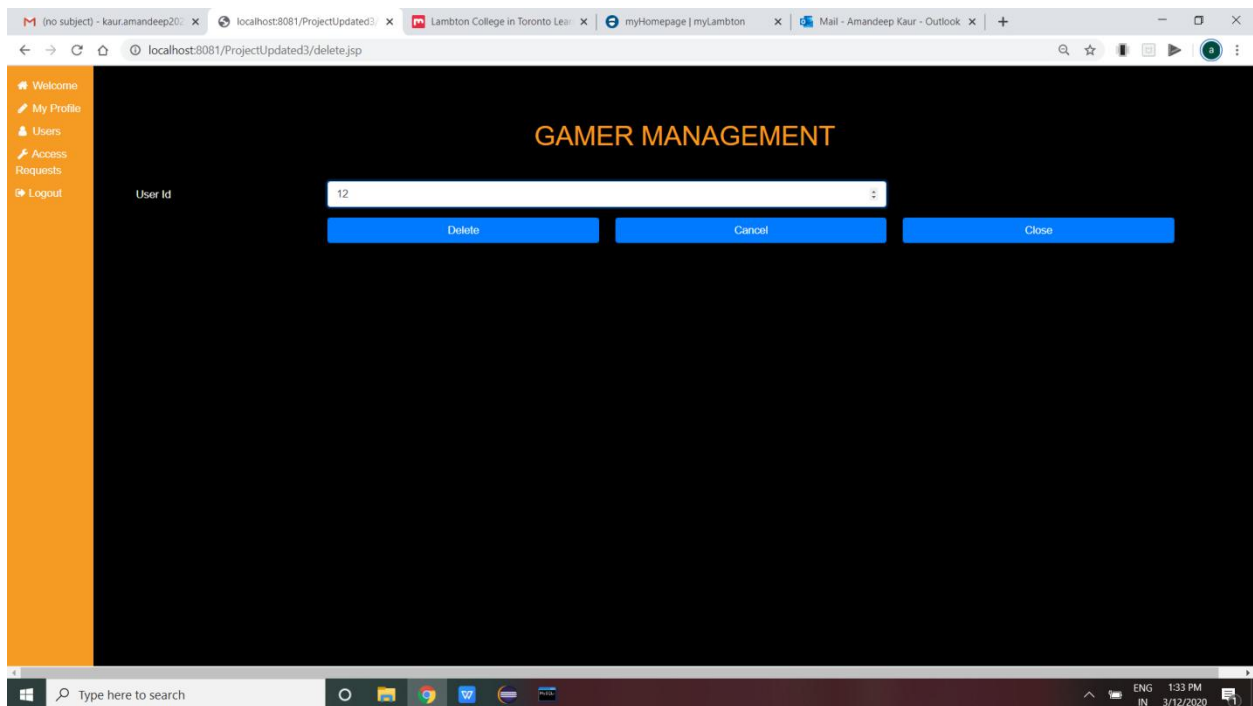

In Image – 10, There is one more way to delete a user from the database Admin will go back to Users tab and click on **Delete** button to perform delete function.

Image – 10.

In Image – 11, After clicking on Delete button, Admin will see this window where he will fill the User id of the User, which he wants to delete. Here, User will fill User Id as ‘12’ whose first name is ‘Jasmine’, and click on **Delete** button. In Image – 11. pop-up message will be shown, press OK.

Image - 12 below.

In Image - 13, After pressing on OK Admin will be navigated to the Users tab and he can click on **View** button to see user deleted from the database.

Image - 13.

CSAT- CSAC

CPL-5559-CSAT-CSAC-0093-V2

In Image - 13.1, Admin can view the users list in the database.(where user Jasmine has been deleted)

Image - 13.1.

The screenshot displays a web application titled "GAMER MANAGEMENT". On the left is an orange sidebar with navigation links: Welcome, My Profile, Users, Access, Requests, and Logout. The main content area has a dark background. At the top, there's a search bar with a "Department" dropdown and a "Search" button. Below this is a table with the following columns: User id, First Name, Last Name, Access Type, Department, Phone Number, Address, Edit, and Delete. The table contains two rows of data:

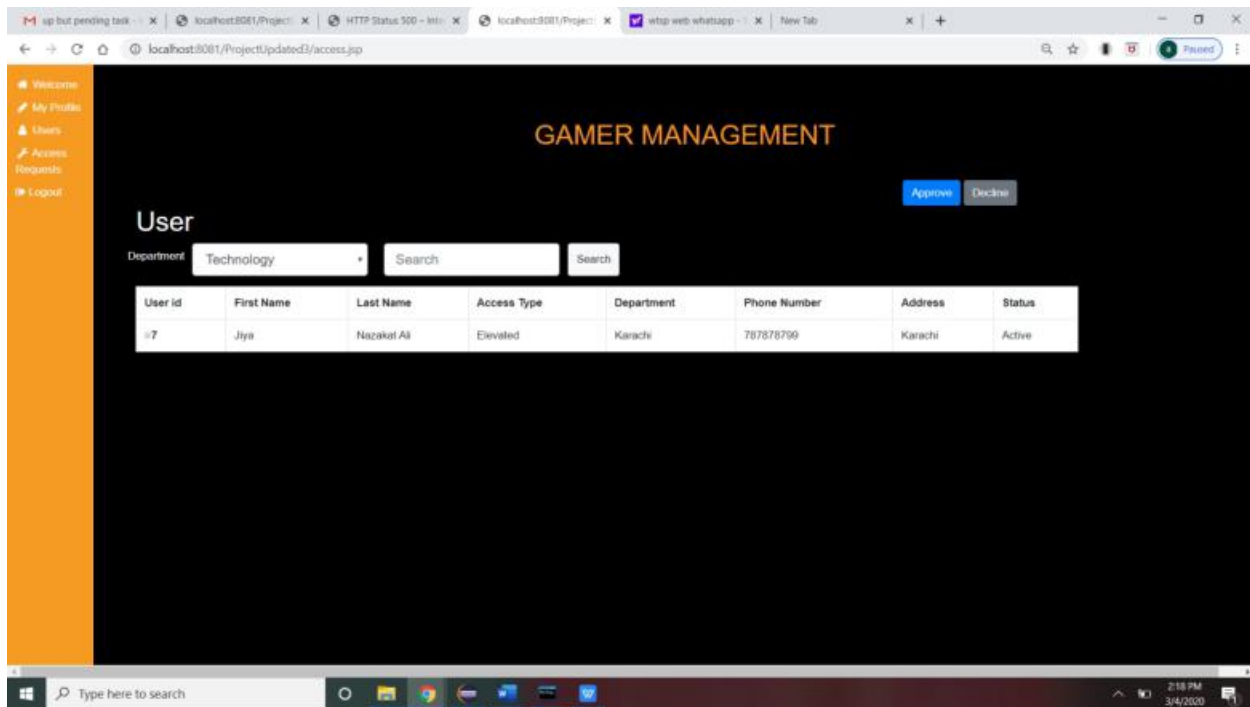

User id	First Name	Last Name	Access Type	Department	Phone Number	Address	Edit	Delete
8	Sana	Wazid Khan	Regular Access User	Arcade Games	88898989	56 west King Crescent	Edit	Delete
10	Arbaz	Khan	Regular Access(Gamer)	Board Games	4343445556	33 east revenue	Edit	Delete

The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with the date 3/12/2020 and time 1:38 PM.

2. Access Request Function. (We also covered this part in previous in week-9).

In Image – 14. Admin will Login to his account and click on **Access Request** tab. Here, Admin will see Requests sent by the other User. In this Image, Request sent by 'Jiya' is pending so the status is “Active”.

Image – 14.

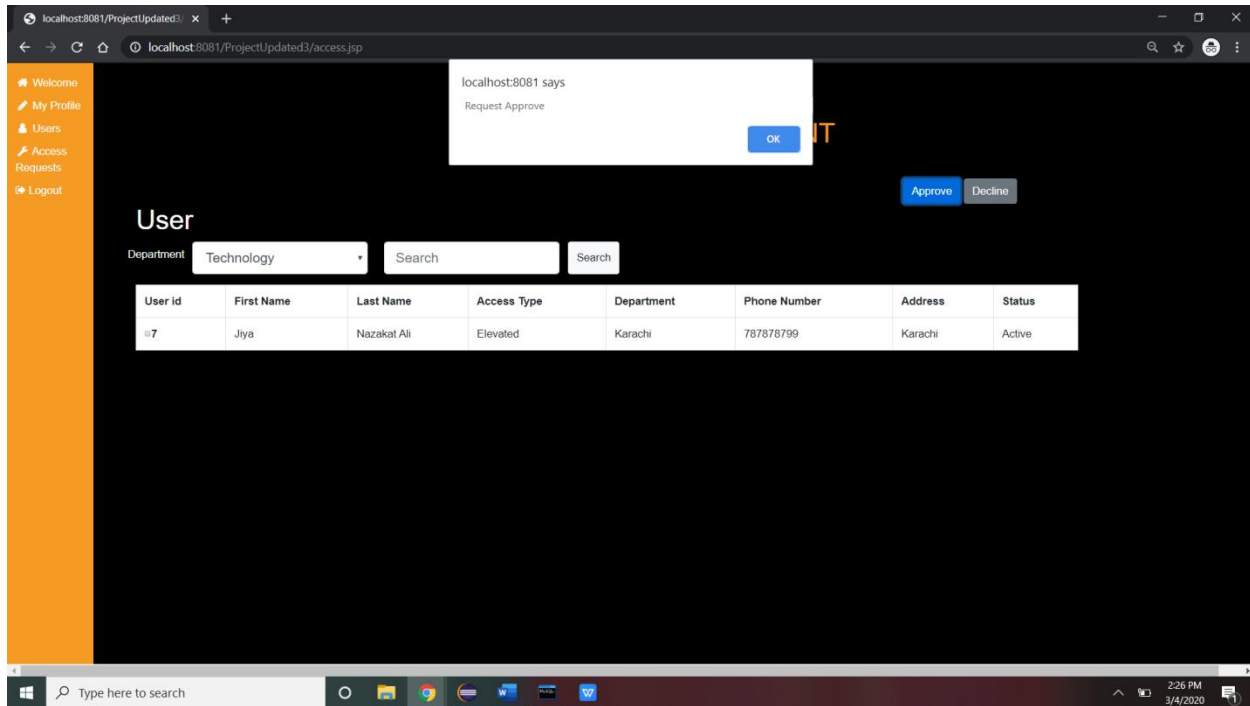

CSAT- CSAC

CPL-5559-CSAT-CSAC-0093-V2

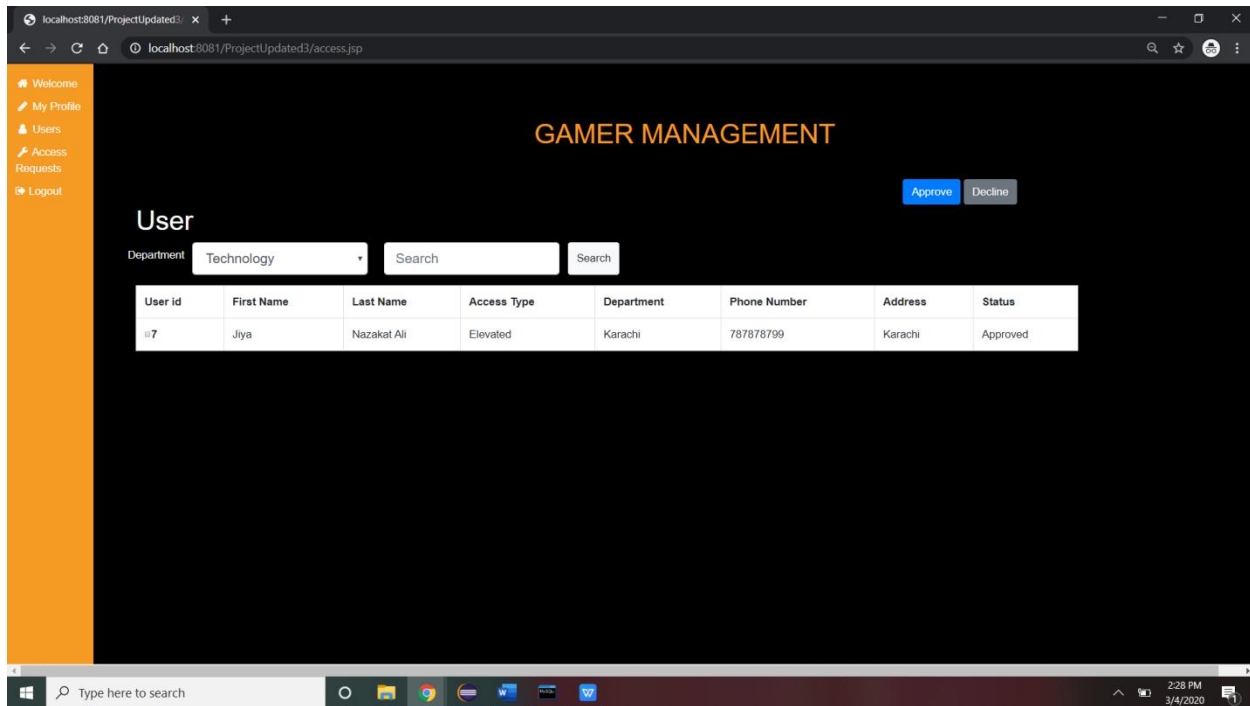

In Image – 15. Here admin will Approve the request, then there will be a pop-up message “Request Approved” on the screen to confirm the changes.

Image - 15.

In Image – 16. Here Press OK on pop-up message , then the Status will be updated as “Approved”.

Image – 16.

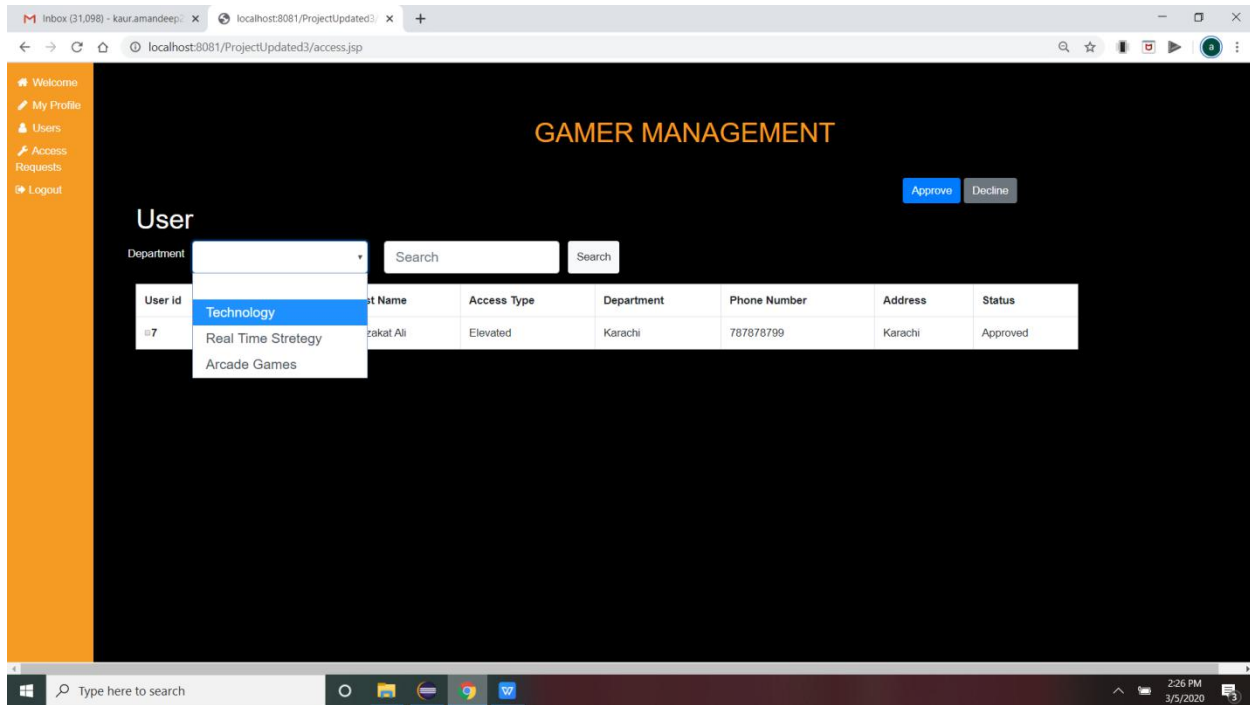

CSAT- CSAC

CPL-5559-CSAT-CSAC-0093-V2

In Image - 17, Admin can sort the users in **Request Access** tab also. Here, he select Technology Department from drop-down list and click on **Search** button. The result will be like this.

Image - 17.

CSAT- CSAC

CPL-5559-CSAT-CSAC-0093-V2

In Image - 18, Here , Admin uses Search box to see the details of users request. He Enter 'jiya', in Search box and press Search button. The result will be like this.

Image - 18.

The screenshot shows a web application titled "GAMER MANAGEMENT". On the left is an orange sidebar with navigation links: Welcome, My Profile, Users, Access Requests, and Logout. The main content area has a header "GAMER MANAGEMENT" and two buttons: "Approve" (blue) and "Decline" (grey). Below the header, there is a section titled "User" with a "Department" dropdown menu and a search input field containing the text "jiya". A "Search" button is next to the input field. Below the search section is a table with the following data:

User id	First Name	Last Name	Access Type	Department	Phone Number	Address	Status
7	Jiya	Nazakat Ali	Elevated	Karachi	787878799	Karachi	Approved

The bottom of the image shows a Windows taskbar with the search bar, taskbar icons, and system tray showing the time as 2:29 PM on 3/5/2020.
